Description of Bug	Location of Bug	Steps to Recreate Bug	Root cause, Analysis Notes
No GUI	VotingSystem would have the GUI code.	Whenever the program is executed, the GUI does not appear.	We couldn't figure out how to implement a good looking GUI. Instead, we printed the available files into the terminal for the user to see.
Arrow key functionality does not work	VotingSystem should allow use of arrow keys to select file	When running the voting system, using arrow keys does not let the user select a file	We were not able to implement arrow key functionality. Instead, we printed the available files into the terminal for the user to see.
